

# PANORAMA COMMUNITY UPDATE

# SUMMER 2012

## Night Under the Stars

A magical night under the stars opened up a new world for many of us. Supported by the Macarthur Astronomical Society, this event gave many residents their first opportunity to see some amazing sights through powerful telescopes, including Jupiter, Venus and Mercury.

Before the sun went down, a special Solar Telescope enabled to look safely into the sun for an amazing view. Kids enjoyed the inflatable UFO laser skirmish game and giant jumping centre. Beautiful melodies performed by Anna Matthewson provided the perfect ambience to this lovely Twilight Picnic.

## Circus Comes to Town

Wet weather did not dampen our spirits when the circus came to town during the September school holidays!

Kids enjoyed the “Big Top” jumping castle as well as the “laughing clowns” games and we all enjoyed the exciting juggling acts performed by Piccolos Circus. Free Balloons, face painting, fairy floss and popcorn topped off this great School Holiday Event.

## Christmas in the Park

Please join us for a wonderful night of Christmas Celebrations at the Atlantic Blvd Park on Saturday 3rd December from 6pm to 8.30pm. Please bring your picnic chairs or blankets with you and enjoy a delicious buffet dinner of Christmas Ham, Chicken & salads as well as cold drinks and desserts. There will be camel & pony rides, trackless train rides, a petting zoo, as well as a “surprise” visit by Santa! The evening will conclude with a very special Carols by Candlelight concert, performed by the Australian Youth Choir. Don’t forget to RSVP to Michele, and don’t forget the Aeroguard!

## Exciting New Social Groups

We are very excited with the response so far to our new social groups recently commenced in both stage 1 and stage 2 of the Panorama estate. There is still plenty of room for newcomers and with such a friendly and welcoming group in all our new clubs, you are sure to make new friends very quickly.

If you have little ones at home then please contact Michele for assistance with joining up with either of the two Panorama Playgroup meeting at Club Panorama or Club Vista, running every Wednesday from 10am. These playgroups are a casual gathering of parents, grandparents, preschoolers, toddlers and babies – coming together regularly to interact and play games with the children. From time to time, Connections will provide some activities and refreshments. Please feel free to bring along a game, a ball or any craft activities and don't forget your own refreshments – together we can build it!

Enjoy walking or need to get into shape? Please join the Panorama Walking Club on a Tuesday evening from 7pm at the Atlantic Blvd Park (opposite Mariner Street) for a group walk around the Estate, approximately 1 hour. This activity will suit all levels of fitness and caters for all age groups. It is especially ideal for anybody that likes the added benefit of walking safely at night.

With two sensational tennis courts such a few steps away from our homes, we are delighted to kick off the summer season with Tennis Connection! Residents who have already expressed an interest in catching up with fellow residents for a game of tennis,

have had their names and availabilities added to a database so that other players are able to connect with them directly. This database is filling fast so please email Michele directly for more information on Tennis Connection.

Please note that all clubs will continue throughout the Christmas break and January school holidays. Please bring your own equipment/club area access cards/ drinks/snacks to all club meetings

## 3 Babies and a Wedding
